

Fall 2020 NEWSLETTER

From the Chair

COVID-19 has reaffirmed the importance of having a good trail network. At times there were few other places we could safely go. I hope we will continue to develop our trail network in the years to come. We've seen first hand the value they bring to us .

A very big Thank You to the team of Rick Goodfellow, Tom Skimson, Andrew Kobus and the multitalented Greg Wolowich for putting together our outstanding new map.

The added benefit for us is that Andrew joined the board, Welcome Andrew..

We will be holding an abbreviated version of our AGM this year. Join us on Monday, December 7th. for our virtual AGM. See page two for registration details. The AGM is a highlight for many of us on the board and ECTA members alike. We had a fascinating speaker lined up in March to talk about Turtles on the ECT. We are going to save that for next year. Our AGM this year will be shorter with a business presentation and a short talk on our new map and upcoming KIOSK project. Our guest speaker will return next year.

If you haven't checked out our Facebook, Twitter and Instagram pages, you should. Calantha Elsy is doing a fantastic job of engaging trail users.

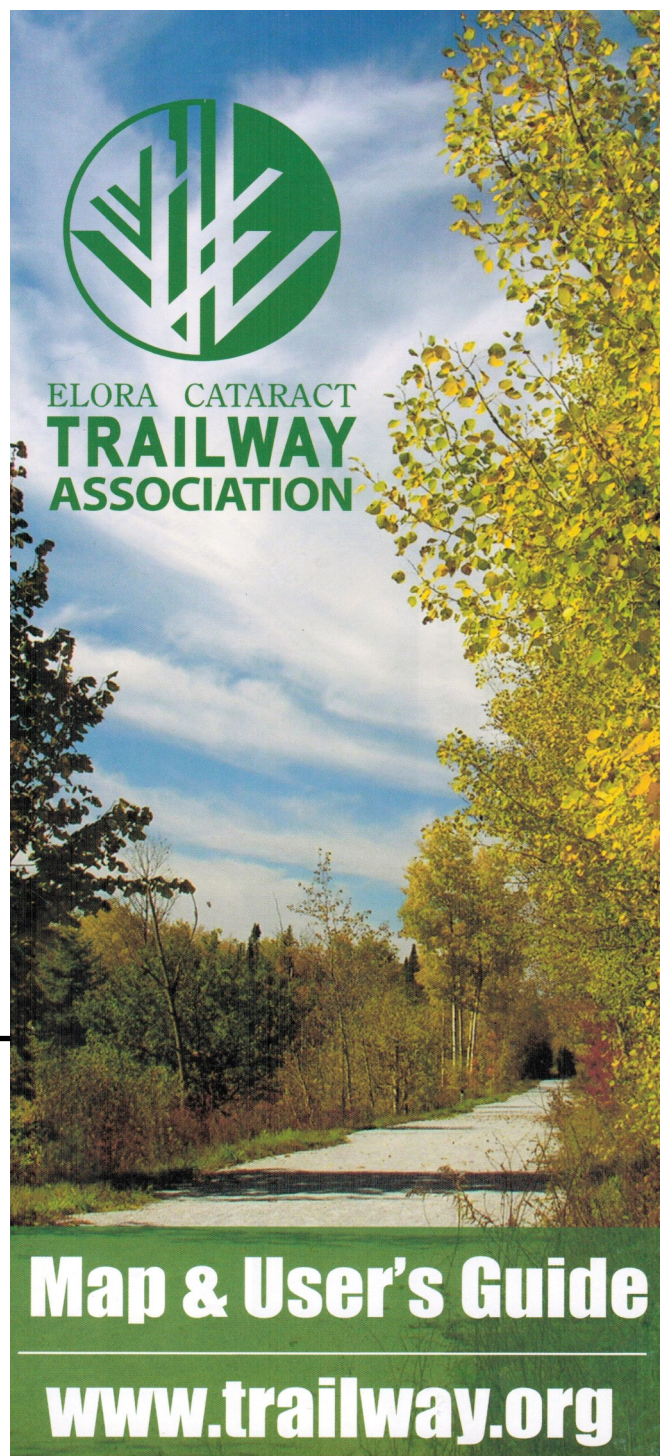

See you at the AGM. See you on the trail.

When does my membership expire?

If you look at your envelope, above the address field and to the right, you will see "Membership Expiry:" following by a year. For example if you see **Membership Expiry: 2020**, this means your membership expired 12/31/2020 and is due for renewal.

Please Renew your Membership

Your Association has been busy this year with lots of plans for the coming years. Renewing your membership provides the necessary funds to continue to operate the Association and all the ongoing projects. Equally important, a large membership demonstrates that many people care about the ECT and what happens to it. We should never take it for granted. We have two options, a one year membership for \$25 and a 5 year membership for \$100.
